6. Cost Basis Election

Pursuant to changes in federal law, AMG Funds is responsible for tracking and reporting to the IRS the gains and losses that you realize when you sell “covered shares.” In general, these are shares that you acquire on or after Jan. 1, 2012. Please note that this reporting obligation of AMG Funds does not relieve you of your responsibility to report, when sold, the cost basis of non-covered shares (i.e., shares that were purchased prior to Jan. 1, 2012) to the Internal Revenue Service.

In order for us to determine the gain or loss when you redeem covered shares, AMG Funds must determine the “cost basis” for those shares. The cost basis is the value of each share at the time you acquired it. The law requires AMG Funds to select a default method to determine your cost basis.

AMG Funds has decided to use what is known as the Average Cost method. Under this method, AMG Funds will calculate the total cost of all covered shares in your account and divide that cost by the total covered shares in your account; this will determine the cost basis for the shares that you are redeeming. Please note that you are able to select a different method below if you would prefer it.

Note: IRS Regulations do not permit you to change the method used to determine the cost basis of a settled trade.

I choose the Fund’s default method of Average Cost

I choose a method other than Average Cost:

FIFO – First In, First Out (AMG Funds will redeem the oldest available shares first, using their cost basis to determine the gains or losses you incur on the redemption.)

Specific Identification (When you redeem covered shares, you must tell AMG Funds which particular shares you are selling; your gain or loss will vary based on the shares you select.)

As noted above, if no option is selected for determining the cost basis of covered shares that you redeem, AMG Funds will use Average Cost.

7. Telephone Redemption & Exchange Privileges

Your account will automatically have the telephone redemption privilege described in the Fund’s prospectus. You may decline a privilege by checking the box below or submitting a request in writing. (If you do not decline a telephone privilege, a Fund, AMG Funds, and/or BNY Mellon Asset Servicing shall not be held responsible for the authenticity of instructions received by telephone [which shall be recorded] reasonably believed to be genuine, and you will bear the risk of possible losses resulting from an unauthorized and fraudulent telephone transaction.)

I do not want the telephone redemption privilege.

AMG FUNDS CERTIFICATION REGARDING BENEFICIAL OWNERS OF LEGAL ENTITY CUSTOMERS

Only complete pages 9 & 10 if you filled out section 1E of this application.

I. GENERAL INSTRUCTIONS

What is this form?

To help the U.S. government fight financial crime, U.S. Treasury Financial Crime Network regulation requires certain financial institutions to obtain, verify, and record information about the beneficial owners of legal entity customers. Legal entities can be abused to disguise involvement in terrorist financing, money laundering, tax evasion, corruption, fraud, and other financial crimes. Requiring the disclosure of key individuals who own or control a legal entity (i.e., the beneficial owners) helps law enforcement investigate and prosecute these crimes.

Who has to complete this form?

To help the U.S. government fight financial crime, U.S. Treasury Financial Crime Network regulation requires certain financial institutions to obtain, verify, and record information about the beneficial owners of legal entity customers. Legal entities can be abused to disguise involvement in terrorist financing, money laundering, tax evasion, corruption, fraud, and other financial crimes. Requiring the disclosure of key individuals who own or control a legal entity (i.e., the beneficial owners) helps law enforcement investigate and prosecute these crimes.

This form must be completed by the person opening a new account on behalf of a **legal entity** with any of the following U.S. financial institutions: (i) a bank or credit union; (ii) a broker or dealer in securities; (iii) a mutual fund; (iv) a futures commission merchant; or (v) an introducing broker in commodities.

For the purposes of this form, a legal entity includes a corporation, limited liability company, or other entity that is created by a filing of a public document with a Secretary of State or similar office, a general partnership, and any similar business entity formed in the United States or a foreign country. **Legal entity** does not include sole proprietorships, unincorporated associations, or natural persons opening accounts on their own behalf.

What information do I have to provide?

This form requires you to provide the name, address, date of birth and Social Security number (or passport number or other similar information, in the case of Non-U.S. Persons) for the following individuals (i.e., the beneficial owners):

- (i) Each individual, if any, who owns, directly or indirectly, 25 percent or more of the equity interests of the legal entity customer (e.g., each natural person that owns 25 percent or more of the shares of a corporation); **and**
- (ii) An individual with significant responsibility for managing the legal entity customer (e.g., a Chief Executive Officer, Chief Financial Officer, Chief Operating Officer, Managing Member, General Partner, President, Vice President, or Treasurer).

The number of individuals that satisfy this definition of "beneficial owner" may vary. Under section (i), depending on the factual circumstances, up to four individuals (but as few as zero) may need to be identified. Regardless of the number of individuals identified under section (i), you must provide the identifying information of one individual under section (ii). It is possible that in some circumstances the same individual might be identified under both sections (e.g., the President of Acme, Inc. who also holds a 30% equity interest). Thus, a completed form will contain the identifying information of at least one individual (under section (ii)), and up to five individuals (i.e., one individual under section (ii) and four 25 percent equity holders under section (i)).

The financial institution may also ask to see a copy of a driver's license or other identifying document for each beneficial owner listed on this form.
